Our Promise

All "Master Artisan" products have been extensively tested by professional artisans as suitable for use by hobbyists, instructors or professional production work.

"Master Artisan" steel molds are made from premium grade 18 gauge stainless steel. They have been test fired in kilns up to 1800F (982C) and used repeatedly to confirm durability. They can be used with ceramic fiber paper, kiln paper, kiln wash or boron nitride.

Promotional Sales Assistance

Every issue of Glass Art and Glass Patterns Quarterly has a Master Artisan ad. We provide links to tutorials and videos on how to use Master Artisan products for you to embed in your website.
